

Website Privacy Policy

www.corasystems.com

1. Introduction

We at Cora Systems Limited respect your right to privacy and comply with our obligations under the Data Protection Acts 1988 and 2002. The purpose of this Website Privacy Policy is to outline how we deal with any personal data you provide to us while visiting this website. Naturally, if you are not happy with this Website Privacy Policy you should not use this website.

By visiting this website, you are accepting the terms of this Website Privacy Policy. Any external links to other websites are clearly identifiable as such, and we are not responsible for the content or the privacy policies of these other websites.

2. Types of Information Collected

We retain two types of information:

- **"Personal Data"**

This is data that identifies you or can be used to identify or contact you and may include your name, company name, address, email address and telephone number. Such information is only collected from you if you voluntarily submit it to us. If you do provide personal information to us, we will assume that you have read this Policy and have consented to us using your personal information in the ways described in this Policy and at the point on the site where you give us your personal information. If, after providing us with personal information, you later decide that you do not want us to use it for particular purposes, please write to us at the appropriate address on the Contact Us page of this site.

- **"Non-Personal Data"**

Like most websites, we gather statistical and other analytical information collected on an aggregate basis of all visitors to our website. This Non-Personal Data comprises information that cannot be used to identify or contact you, such as demographic information regarding, for example, user IP addresses where they have been clipped or anonymised, browser types and other anonymous statistical data involving the use of our website.

3. Purposes for which we hold your Information

- **Non-Personal Data:**

We use the Non-Personal Data gathered from visitors to our website in an aggregate form to get a better understanding of where our visitors come from and to help us better design and organise our website.

- **Cookies**

This website uses "cookie" technology. A cookie is a little piece of text stored by the browser on your computer, at the request of our server. We may use cookies to deliver content specific to your interests and to save your personal preferences so you do not have to re-enter them each time you connect to our website - our cookies are not available to other websites. You are always free to decline our cookies, if your browser permits, or to ask your browser to indicate when a cookie is being sent. You can also delete cookie files from your computer at your discretion. Note that if you decline our cookies or ask for notification each time a cookie is being sent, this may affect your ease of use of this website.

- **Personal Data**

We will process any Personal Data you provide to us to respond to any communications you might send to us and we may use it for our own market research and marketing purposes.
